BLACK TEAS

Classic and enduring, black tea is a revered classic throughout the world. Because of the fermentation process, black tea is usually richer in color, more penetrating in flavor, and has a higher concentration of caffeine when compared to other teas. A universal beverage that speaks many languages, Black tea has its beginnings from the same plant which produces both green and white tea (*Camellia sinensis*), and its mark of distinction can be found in the deep dark color achieved through the fermenting process.

Ancient Forest Tea ~ Premium Quality

Origin- China

Fair Trade Certified- Yes

This handsome tea is worthy of all our esteem and veneration because it comes to us exclusively from stands of protected ancient growth tea plants in the Yunnan province of China, all of which range in age from 500 to 2,700 years old. The most alluring aspect of this tea is the deeply penetrating flavor and aroma that it imparts, which is unlike any other black or green tea on the market. Bold, dark and inviting; this certified organic and fair trade tea is not to be missed. ***2-3oz - \$4.00 per oz /4-6+oz - \$3.50 per oz***

Assam Tea ~ Premium Quality

Origin- India

Fair Trade Certified- Yes

By far the most popular and palatable black tea. Assam has proven its superiority by consistently delivering a full-bodied flavor, which is both dark and malty. Produced exclusively from the highly skilled tea region of Assam in India, this tea has become a morning favorite because of its rich aroma, crisp flavor, and penetrating color. ***2-3oz - \$4.00 per oz /4-6+oz - \$3.50 per oz***

Oregon Chai

Fair Trade Certified- No

A warm, piquant, and delightful Chai made from 100% certified organic materials. A great alternative for those who wish to avoid large amounts of caffeine, sugar, and dairy products, which are commonly found in commercial Chai products. An exotic beverage that is sure to tickle your taste buds!

Contains: Organic Ginger root, organic Cinnamon, organic Cloves, organic Cardamom, organic Nutmeg, organic Darjeeling, and organic Vanilla bean. Contains caffeine. ***2-3oz - \$3.00 per oz /4-6+oz - \$2.50 per oz***

Darjeeling Tea (1st Flush) ~ Premium & Exotic Quality

Origin-India

Fair Trade Certified- Yes

A true unblended Darjeeling tea from fresh, green, subtle leaves. Darjeeling is one of the most sought after tea beverages for its astringent qualities and its ability to indulge the taste buds. Has a wonderfully grounding aftertaste, and is complex in characteristics. From the Northern Himalayas in India comes this exquisite tea fit for the most occasions. Our Darjeeling tea is Fair Trade certified and contains caffeine. *2-3oz - \$6.00 per oz /4-6+oz - \$5.50 per oz*

Earl Grey Tea

Origin-Sri Lanka and India

Fair Trade Certified- Yes

An exceptionally rich black tea, fermented to perfection with a complementary pinch of bergamot oil. This combination creates an ultra fine tea where precision and process gives birth to this much revered beverage. Great with honey, and a hint of sugar; this tea makes an excellent drink to incorporate into your daily schedule. Our Earl Grey tea is Fair Trade certified and contains caffeine. *2-3oz - \$3.00 per oz /4-6+oz - \$2.50 per oz*

English Breakfast Tea

Mango Ceylon Tea

Origin-Sri Lanka and India

Fair Trade Certified- Yes

A delightfully zesty Ceylon blend from Sri Lanka. This fruity classic has essence of Mango and Marigold petals added to it, which complements the fine, fermented Ceylon leaves. For those of us who sometimes prefer a flavored tea, this makes a perfect cup that is pure rapture to the taste buds. Our Mango Ceylon tea is Fair Trade certified and contains caffeine. *2-3oz - \$3.00 per oz /4-6+oz - \$2.50 per oz*

Nepalese Black Tea ~ Premium Quality

Origin-Nepal

Fair Trade Certified- No

This rare and exotic tea from the Himalayan region of Nepal is truly complex and has the flavor characteristics of both a green and a black tea. Because of its semi-fermented nature and the unique growing region it comes from, Nepalese Black tea produces a finish which is smooth to the taste buds, devoid of a rough edge, and the tannins do not linger. While this tea is suitable for most occasions, we have found it particularly delightful in the mornings and afternoons. Our Nepalese Black tea is certified organic and contains caffeine. *2-3oz - \$4.00 per oz /4-6+oz - \$3.50 per oz*

Oolong Tea ~ Premium Quality

Origin- India

Fair Trade Certified- No

A succulent tea especially palatable for those that do not enjoy the sharpness typical of green teas. Oolong tea is unique because of its partial fermentation which produces a diverse arrangement of both off-green and black leaves. This tea is beautiful, tasty, full bodied, healthy and with a mildly smooth aftertaste. Highly recommended to those that enjoy the health benefits of green tea but have a hard time with its lingering, semi bitter taste. Contains caffeine. *2-3oz - \$4.00 per oz /4-6+oz - \$3.50 per oz*

Orange Spice Tea

Origin-Sri Lanka, India and Indonesian spices

Fair Trade Certified- Yes

A warm, soothing, Ceylon tea blend with just the right ingredients to give toasts to. Includes orange peel, cinnamon chips, and clove. A marvelous way to savor the serenity of an evening's peace is to brew up a cup of this fine tea, sit back and relax. A very robust and fragrant tea blend sure to give you pleasure! Our Orange Spice tea is Fair Trade certified and contains caffeine. *2-3oz - \$3.00 per oz /4-6+oz - 2.50 per oz*

GREEN & WHITE TEAS

High in antioxidants and other vital properties, green teas have been endured as one of the most revered and consumed beverages for thousands of years. Chinese legend dates green tea back to 2737 BC, when the emperor Shen Nong was boiling water and tea leaves blew into his pot. He drank the concoction, and enjoyed it so much that tea became a favorite beverage in China. Aside from drinking tea for pleasure and enjoyment, the Chinese have also used it as an indispensable medicinal tool and have treated a host of maladies and illnesses through its continued use. Green tea is now consumed around the world, and because of its anti-oxidant value it is currently being studied for numerous health benefits, and as a treatment for a number of illnesses. The special properties of pure white teas are now gaining deserved attention as well.

Ancient Forests Tea ~ Premium Quality

An exquisite tea that falls between a GREEN & BLACK. Please see full description under "BLACK TEAS" above. Thank You!

Dao Ren Tea ~ Premium Quality

Origin- China

Fair Trade Certified- No

This exceptionally delicate green tea gets its name from the famous Dao Ren Peak in the Zhejiang province of China and has rich and complex history dating back hundreds of years. Dao Ren is a truly superior tea which is carefully hand plucked during the optimal spring harvest to yield a cup which has a delicate, yet, pronounced flavor with soft fruity notes. Contains caffeine. ***2-3oz - \$4.00 per oz /4-6+oz - \$3.50 per oz***

Genmaicha Tea*

Origin-Japan

Fair Trade Certified- No

Genmaicha is a flavorful Japanese classic which includes a stunning combination of whole, fresh Green Sencha leaves combined with roasted* organic brown rice. The almost sweet, toasted flavor of the rice adds a lovely contribution to the whole bodied green tea leaves. A great tea for early dining, and well suited for afternoon dishes. Contains caffeine. ***2-3oz - \$3.00 per oz /4-6+oz - 2.50 per oz***

Green Sencha Leaf Tea ~ Premium & Exotic Quality

Origin- Japan

Fair Trade Certified- No

This organic green sencha leaf tea from Japan is a delicate, stimulating beverage made from the season's fresh harvest of the first young leaves. The handpicked tealeaves from the high mountaintops of Japan are immediately steamed to retain their peak flavor and vibrant, brilliant, green color. Extensive research confirms the high anti-oxidant and poly phenol activity found in green tea, and it comes highly recommended as a general cleansing beverage. Because of the caffeine content, green tea should be prepared using small amounts of herb and steeped no longer than 1-2 minutes. Contains caffeine. ***2-3oz - \$6.00 per oz /4-6+oz - \$5.50 per oz***

Gunpowder Green Tea

Origin-China

Fair Trade Certified- Yes

A hearty, strong, green tea that is rolled in small pellets and was aptly awarded its title, because of its resemblance to the pellets used for gunpowder ammunitions during the 17th century. Originally rolled tightly to preserve freshness and maintain moisture during long voyages overseas, it still holds true as an unsurpassable fresh tea that is full of dark bold color and a striking taste that is unforgettable. Gunpowder tea is astringent and mildly bitter and you can add a very small pinch of Stevia or Spearmint to soften the taste. Contains caffeine. ***2-3oz - \$3.00 per oz /4-6+oz - 2.50 per oz***

Jasmine Pearls Tea ~ Premium & Exotic Quality

Origin- China

Fair Trade Certified- No

This delectable organic tea is made from the long and graceful leaves of the tea plant with slender silver buds which are hand rolled into tight pearls. After completion, these beauties are "infused" with fresh Jasmine blossoms producing a delicately perfumed tea with the typical well-roundedness of the dominant green tea leaves. A richly aromatic cup of tea that is pure bliss to the olfactory senses as well as the palate. Contains caffeine. ***2-3oz - \$6.00 per oz /4-6+oz - \$5.50 per oz***

Jasmine Tea

Origin-Japan

Fair Trade Certified- Yes

A fabulous "all purpose" tea made from freshly picked green tea leaves semi-fermented within fresh Jasmine flowers to impart a distinct floral aroma and flavor. A fragrant and euphoric fair trade tea that can be enjoyed any time of the day, however, many of us are partial to afternoon sipping of this blend. Fresh, floral and a full of flavor. Contains caffeine. **2-3oz - \$3.00 per oz /4-6+oz - 2.50 per oz**

Matcha Tea ~ *Premium & Exotic Quality (by special request order ONLY)*

Origin- Japan

Fair Trade Certified- No

Matcha tea is a deeply alluring beverage containing rich historic roots within Japanese tea drinking ceremonies. Matcha, which literally means "finely powdered tea," is made from young green tea leaves and is strictly harvested from certified organic plantations. With a bold color and mildly sweet flavor, we are sure that most will find this tea to be purely delectable. **2oz. - \$30.00/4oz. \$50.00**

Oolong Tea ~ *Premium Quality*

An exquisite tea that falls between a GREEN & BLACK. Please see full description under "BLACK TEAS" above. Thank You!

White Peony Tea

Origin-China

Fair Trade Certified- No

White tea is picked early in the season when the buds are still fresh, young and tender. Because of this early picking, the taste white tea produces is very mild, and sweet without the sometimes astringent qualities of regular green teas. White tea consists of beautiful, full length leaves, and young tight buds which produces a perfectly balanced cup. While the name of this tea can be a misnomer, it should be understood that it is embodied with hues of green and fermented brown, with delicate white "needles" to lay the final touches. Contains caffeine. **2-3oz - \$3.00 per oz /4-6+oz - 2.50 per oz**

White Silver Needle ~ *Premium & Exotic Quality*

Origin- China

Fair Trade Certified- No

This exceptional tea is one of the rarest and finest organic teas available in the world. It is only harvested for 2-3 days each spring in China's Fujian province, and consequently only a very limited supply is available. Silver Needle tea is handpicked from the first unopened flower buds, and are immediately dried, allowing for a minimal amount of processing. Stunning to look at, the tea needles are frosted with graceful white hairs, and smooth texture. Silver Needles Tea brews to a light golden color, and has a soft fragrant aroma. The taste is truly unique, with a mildly sweet floral finish that is refreshing and delicate, yet with a pronounced and lingering flavor. Contains caffeine. **2-3oz - \$6.00 per oz /4-6+oz - \$5.50 per oz**

HERBAL TISANES

There is nothing more satisfying and enjoyable than the fresh taste of a hand crafted, loose-leaf herbal tisane. These delicious and nourishing beverages make a lovely compliment to your morning, a revered companion in the afternoon and they faithfully represent the required relaxation we all deserve in the evenings. Unlike finely cut conventional tea found in mass manufactured tea bags, our loose-leaf herbal tisanes are ALWAYS fresh, fragrant, tasty, longer lasting and far more economical. The loose-leaf herbal tisanes offered here are made with certified organic ingredients; and if not available, only carefully wild harvested herbs are selected. To protect ourselves...our community...and our environment – conventionally grown materials (which may contain pesticide residues and other harmful chemicals) are NEVER used for blending our herbal tisanes.

YERBA MATE

The yerba mate we are proud to source comes from a family farm in the state of Misiones in northeastern Argentina. This region is famous for producing the highest quality yerba mate. Here the sun, rain, and soil are perfectly suited to this vibrant plant. While most yerba mate is dried over wood fires, resulting in a "smoked" flavor, our pure leaf cut yerba mate is dried with warm clean air, resulting in a cleaner, greener flavor. Yerba Mate is loaded with antioxidants (even more than green and black tea); and is often touted as "the nutritious stimulant"! A typical 8oz mug of yerba mate tea contains the following nutrients: Calories-0, niacin-15% riboflavin-6% zinc-8% iron-15% magnesium-4% potassium-19%, chromium-130%.

Yerba Mate

Origin-Argentina

Fair Trade Certified- Yes

A lightly stimulating beverage from South America that has a mild amount of caffeine with just the right kick. Our Yerba Mate is organically grown; fair trade certified and produces a light green beverage, with a refreshingly bold flavor. This Yerba mate is untreated and contains no filler or flavoring agents, just pure organic Yerba Mate leaves that have been steamed – NOT smoked. Contains trace amounts of caffeine. *2-3oz - \$3.00 per oz /4-6+oz - 2.50 per oz*

RED TEAS

Red teas have become very popular healing beverages embraced and enjoyed by millions. Numerous published studies have found them to be extremely nourishing, nutritious and caffeine free which makes them suitable for most ages and throughout any part of the day. The unique fermentation process of red tea produces a rich amber-red color when brewed that has a smooth after-taste and lacks the astringent tannins usually found in green and black tea. A gentle and effective tea full of anti-oxidants, Vitamin C, Calcium, Potassium, Magnesium, Iron, Zinc, Sodium, Copper, and Manganese.

Rooibos (Green)

Origin-Africa

Fair Trade Certified- Yes

The attribute that makes this tea an unusual variety when compared to Red Rooibos tea, is that it is completely unfermented, it contains a slightly herbal aftertaste, and brews light in color which makes it a perfect companion to those that feel regular Rooibos is too sweet. Green Rooibos is a hearty tea and once brewed it produces a soft golden color with an amber hue, and warm scent. This tea is considerably higher in anti-oxidants, trace minerals, and nutrients, when compared to traditional Rooibos, which helps to explain its explosive popularity with those of us who are health conscious. Does not contain caffeine. *2-3oz - \$3.00 per oz /4-6+oz - 2.50 per oz*

Rooibos (Red)

Origin-Africa
